FOREWORD

As our senior year slowly comes to a close, we pause to look back upon the friends we have made and the happiness we have had. With sincere humbleness and heartfelt thanks, we remember the people who helped us walk the long road to graduation. Between the covers of this edition of the Bells, we have tried to preserve these memories for future years.

DEDICATION

So long as Faith and Freedom reigns
And loyal hope survives
And gracious charity remains
To leaven lowly lives;
While there is one untrodden tract
For intellect or will
And men are free to think and act
Life is worth living still.

Alfred Austin

SUPERVISING PRINCIPAL MR. RYAN

Once again it is my privilege to address some words to our graduates to be read long after commencement. This gives me the opportunity to renew my congratulations and best wishes. It also allows me to express some hopes that may receive more serious consideration now that the excitement of commencement is over.

It is my first hope that you will be properly thankful - both to your parents and to your community for the education you've achieved. Secondly I hope you will resolve, as did your parents, that your children will have an even greater opportunity. Finally I hope you'll be exemplary citizens, loyal to your background and a credit to your school.

PRINCIPAL MR. CARPIN

You should all be concerned about the future because you will have to spend the rest of your lives there.

You must keep in mind that there is no royal road to any goal. The rewards in your future are where you can secure them providing your own preparation and perseverance precede them.

Best wishes for a most successful future.

FOR WHOM THE

One Autumn day in 1958, the Bells of St. Marys rang out, tolling their welcome to the Class of 1962. We came as shy, inexperienced Freshmen, but eager to learn the ways of high school life. We worked hard, and made our

Halloween Dance one of the best ever. The Kersey Students had loads of fun touring the Harrisburg Capitol and Hershey State Park. Soon, however, the Bells were ringing again, this time beckoning

us as sophomores. Mary Beth Keebler did a fine job as President, and our Christmas Dance was really different! Remember our giant tree in the center which we sprayed white with "snow" and trimmed with only blue lights?

Actually, the whole hall was lighted with blue. It was a very beautiful sight. We ended the year with a gala picnic at Twin Lakes.

We all had a grand time, even though we

were sunburned for weeks. Be-

fore we knew it we were Juniors.

Ray Freeburg, an excellent Presi-

dent, helped start our first Junior

project, selling magazines.

BELLS TOLL

After allotting handsome proceeds toward our Washington Trip, we started our biggest project, the prom. We picked "Moonlight and Roses" for our theme, and began transforming the old Kersey Gym into a garden of splendor. We were so proud of our fountain with running water and floating lillies.

The King and Queen, Dick Quagliani and JoAnn Spangler, were crowned in the midst of pink blossoms. The prom brought our Junior year to a close. The next time the Bells rang we were Seniors.

Remember how proud we were of our "Senior Rights?" Our Washington Trip went by so quickly, we hardly knew what was happening. We'll never forget it though. Christmas came and went, then those dreaded mid terms were finally

over, and we were on the final stretch. We'll always remember Class Day. It was so much fun, and yet so sad. Then with its joys and tears came commencement night. There, as we stood

on the threshold of life, we bade our final farewell to St. Marys High. But we knew that in the heart of each and everyone of us, the Bells of St.

Marys would ring forever.

WASHINGTON TRIP

On November, 1961 at 6:10 A.M., the St. Marys High School Seniors, under the supervision of Mrs. Sicheri, Mrs. Whiteman, Mr. Lewis and Mr. Luke, left for Washington, D.C.

After two short pauses at Tyrone and McConnellsburg we reached the Capitol and were greeted by Mr. Batchler who immediately started us on a tour of the city and surrounding areas.

The first stop, the Washington Cathedral, impressed everyone by its massive beauty. Next we went to the zoo. Everyone enjoyed it, especially a few senior boys who spent most of their time exchanging quips with the monkeys.

We saw the Shrine of the Immaculate Conception and the Franciscan Monastery. This completed, we went to our hotel and prepared for dinner, after which we went on a night tour of the city. This included a stop at the airport, where several girls made a down payment on a taxi, and a stop at the Wax Museum. Several impressive pictures were taken here.

Tuesday 6:45. . . "Rise and shine," at least we rose. After breakfast at Scholl's, the scene of most meals, we proceeded to the Bureau of Engraving. The F.B.I. proved to be particularly popular among the girls who enjoyed the guides very much. Next the more ambitious ones climbed the Washington Monument. After arriving at the top breathless, they were rewarded by the stunning view.

Next we went to the White House which was just as beautiful as we expected it to be. Luckily we arrived at the Supreme Court Building just in time to see the Supreme Court in session. After seeing the Congressional Library we were given the afternoon off. Some students went shopping, but many returned to the hotel to catch up on sleep lost the previous night.

In the evening we went to see the movie, KING OF KINGS. By chance, Kenny Rossi was there too. Several girls are still talking about him. It seems the bus drivers somehow lost track of the time and after an hour of standing outside the theater, they finally came and got us.

The next morning started again at 6:45. After getting a few souvenirs (bedspreads, pillows, curtains) nothing big, we put our luggage on the bus and started the last of our program. This included the Virginia Tour. First we saw the Lincoln Memorial and the Iwo Jima Statue. Then we saw the Tomb of the Unknown Soldier and the changing of the guards. Mount Vernon was very lovely.

Our last afternoon in Washington was spent at the Smithsonian Institute. Here one of the chaperons learned the art of head shrinking. We won't mention any names, but his initials are Mr. Lewis.

After three pleasure packed days, we, the Seniors of '62 arrived home, tired but jubilant.

FLYING

The Dutch under head coach Ted Mastrogiacomo and his able assistants, Hugo Bonfardine and Al DeFonzo, broke even this season with five wins and five losses.

Sept. 8 - The Dutchmen won their initial game of the season by defeating the Port Allegany Gators at Berwind Park. It was a good battle all the way with neither team scoring in the first three quarters of play. Finally the Dutch scored and won the game 6 - 0.

Sept. 16 - The Dutch traveled to Kane to battle the Kane Wolves, but they proved to be too much for the Dutch to handle. Kane won with a score of 27 - 0.

Sept. 23 - The Dutchmen again took to the road to meet last year's Allegany Mountain League champs. The Saints were able to make only one touchdown to the Wolverines' two. The final score was 14 - 6.

Sept. 30 - Although the Dutch scored two touchdowns for the first time in the season, it was not nearly enough to win the game. The Ridgway Elkers scored 27 points before a capacity crowd at Berwind Park while the Dutch were held to 12.

Oct. 6 - The Saints returned to the win column with a victory over the Smethport Hubbers. St. Marys drove for three touchdowns and two conversions to beat the Hubbers 20 - 14.

Mr. Bonfardine. FOURTH ROW: Coach Mastrogiacomo, Tom Dippold, Jim Lynch, George Dinsmore, Steve Hanes, Charles Rynd, Gary Schreiber, Dave Farley, Ed Grotzinger, Tom Ehrensberger, Joe Kreckle, George McManigle.

DUTCH

Oct. 13 - On Friday the 13th, a cold, rainy night in Johnsonburg, the Dutch pulled off the biggest upset of the season. In the ankle deep mud the Saints scored two touchdowns in the first quarter while the Burg team was time after time pushed back. The final score was 12 - 7.

Oct. 20 - The Saints lost their fourth game of the season at the hands of The Terrors from Otto. The Dutch passing attack was held in check, while the Terrors riddled the Dutch defense. The final score was 27 - 13.

Oct. 27 - The Red Raiders of Emporium left St. Marys victorious and the Dutch with a three and five record with two games remaining. The Raiders drove for 26 points and held St. Marys to 13.

Nov. 4 - The Falcons of Coudersport played host to the Dutchmen in a close, low scoring game. The Falcons scored a touchdown, but failed to make the extra point. The Dutchmen returned with a touchdown and the extra point to win 7 - 6.

Nov. 10 - The Saints traveled to Brookville for the final game of the season. In this game the offensive power of the Saints was at its best. The Dutch scored 33 points to Brookville's six. This victory earned the Dutch a five and five record for the season. Coach Mastrogiacomo, his team and the managers did a good job this season.

MIXED CHORUS

This year our Chorus, Directed by Mrs. Ester Sichei, presented three outstanding programs of choral music. In October, a Minstrel Show was conducted, which was received well by the members of the community. As the year rolled on, the chorus members now prepared for their annual Christmas Program. This year it was held in the gymnasium, where the student body was gathered to view the magnificent effort. Now that spring was upon us, the chorus was ready to present the spring concert, which featured many popular numbers.

This term, our girls' chorus was very fortunate in that they participated in the Christmas Concert and the Spring Concert. Our Girls' Chorus added many interesting selections to the ones already offered by the larger grouped Mixed Chorus. Mrs. Sichei was very well pleased with this group of girls as they added beauty and lovely music to the various functions for which they performed.

The Student Council resumed its duties once again this year. The Student Council, as intermediary, fills the gap between the administration and the student body.

Through discussion, problems are solved, a conclusion is formed, and a recommendation is made to the administration.

The Student Council usually met on the first and third Friday of each month. During these meetings, the Council discussed the possibility of sponsoring a Foreign Exchange Student and better and more assembly programs. It used its influence in the selection of cheerleaders and in the use of the Activity Period. The Student Council was also responsible for the St. Marys High School News, broadcasted on the W. K. B. I. Radio Station.

Each year, as the student leaders are trained in participation in school control, they are fulfilling the aims of all Student Councils.

This year's officers are: Gary Williams - President; Madeline Guthrie - Vice President; Florence Geci - Treasurer.

PATRONS

Now, as we Seniors stand at the crossroads of life we are faced with a responsibility to thank all those who helped us in every effort we have made. Our biggest effort was, of course, to present an accurate account of our Senior year as well as our other years of high school in this edition of the Bells. Without the financial assistance we received from various business concerns and friends, this edition would never have been possible. To them we are eternally grateful.
