DEDICATION

Perhaps our first contact with Lock Haven State College was our introduction to Dr. John H. Bone, Director of Admissions. To him we unfolded our dreams and our hopes for a college career, dreams and hopes which have found fulfillment here at our Alma Mater. From him we received encouragement, inspiration and the challenge we needed to complete our undergraduate education. His wisdom and foresight, his sense of humor, his gift of wise judgment — all of these have made him an indispensable part of Lock Haven State College.

It is to him, Dr. John H. Bone, that we dedicate our 1967 Praeco as a token of our esteem and affection for a man who has played so important a role in our "song of education."

HOMECOMING ACTIVITIES

This year the 1966 Homecoming weekend broke several traditions and adopted some successful improvements. There were no floats and no parade this year. Instead, all the interested clubs and organizations constructed beautiful placements which were located on various sites of the campus.

On Friday evening, October 14, the Pennsylvania Ballet Troupe performed for the first time on this campus. Following this cultural event, the open fraternity parties were held. Several hundred alumni came back to the campus for Homecoming, gathered and socialized at a tea and luncheon on Saturday afternoon, cheered our teams, and danced along

with us that evening. Half time at the football game with Shippensburg featured a parade of the Homecoming queen, Patsy Kinter, her court, and the fraternity sweethearts. For the first time, the semi-formal dance on Saturday night had two bands to provide continuous music for dancing.

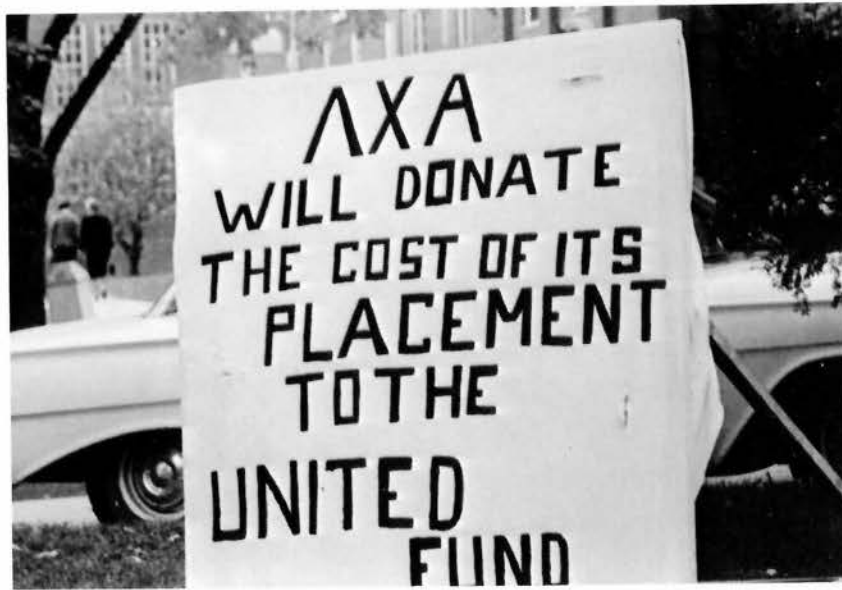

The highlight of the weekend took place on Sunday with the outstanding performance of Peter Nero and his Trio. Classical and modern music were combined with humor to climax Homecoming, 1966, as a wonderful weekend which we shall always remember.

On September 29, 1966, Thomas Field House was the setting for the fifth annual Academic Convocation. President Dr. Richard T. Parsons introduced the speaker, Dr. Dexter Perkins, noted historian and professor emeritus of Cornell University. In an address on "The Posture of American Foreign Policy since 1945," Dr. Perkins expressed a note of optimism for the future of our country. With understanding, warmth and humor, Dr. Perkins conveyed a most worthwhile message on this memorable day at Lock Haven State.

CLASS OF '68

Preparing to receive the baton and mount the podium to direct the symphony of learning, we, the Junior Class, move toward our last year at Lock Haven State College. This has been a full and rewarding year for the class of '68. The vast learning experiences of the block in preparation for student teaching, the sound of victory for prize winning placements and floats in the Homecoming event, the recognition accorded members of our class for significant contributions to campus life — these have been part of the recurring harmonious theme of our contribution to the song of education at Lock Haven.

FACULTY

Melodies are many
But educators few
Classrooms need conductors
Just as orchestras do.

So that your pitch be perfect,
And your harmony just right.
This faculty bequeaths to you
its baton of truth and light.

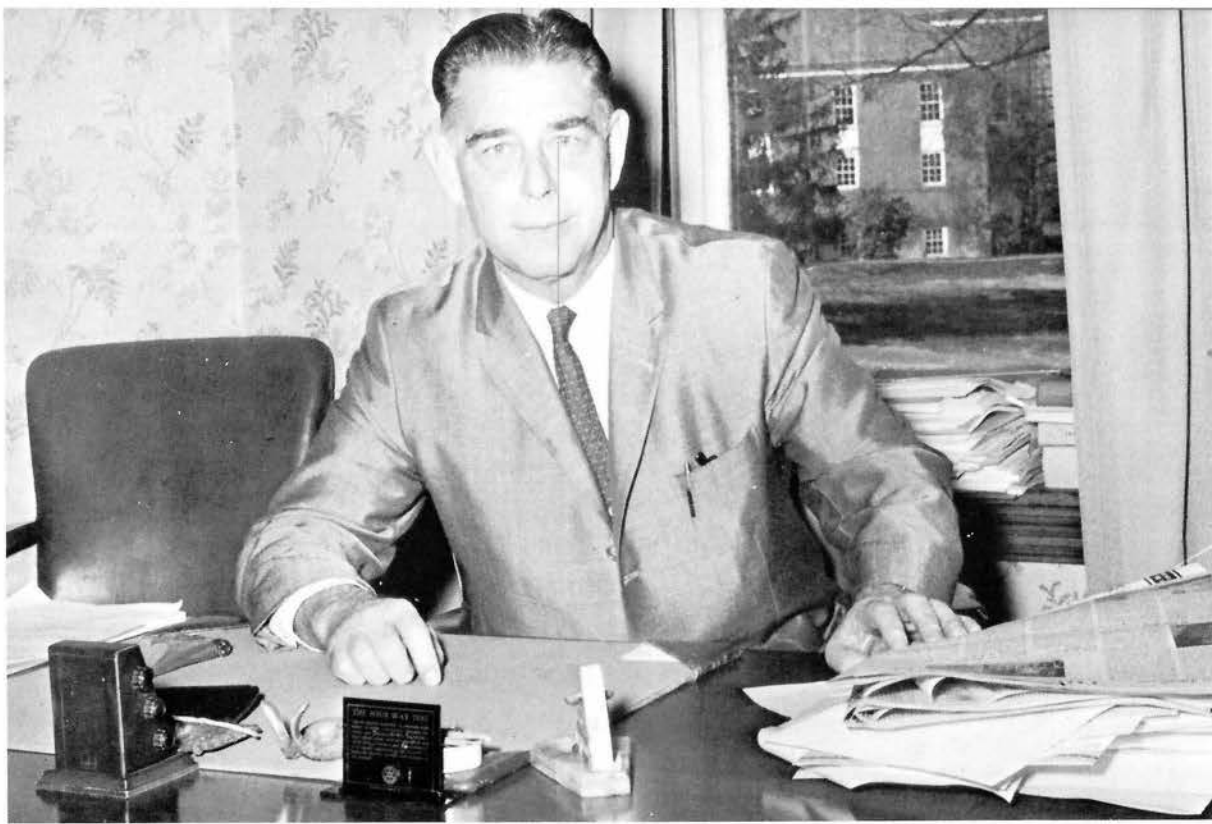

The song of education is a chorus of voices raised in harmony. This blending of tones has been exemplified by the consistently progressive attitude of our local board of trustees, our administration, and our faculty. The student body is indebted to them for their guidance, encouragement, and leadership in making campus life a rich and rewarding experience.

This year was one of the most successful ever for the Student Cooperative Council, the student government body. Jon Masood, president for the second year in a row, led the Student Cooperative Council through many important decisions concerning the Debate union, a traffic light being installed at the college corner, the naming of the new Student Union in honor of Richard T. Parsons, and the erection of billboards advertising Lock Haven State College on the three main routes into Lock Haven.

The business Service Committee with Steve Hancock, the Student Cooperative Council Vice-President as chairman, again was forced to close the Eagle Wing temporarily. After making several trips to meetings all over Pennsylvania, Jon Masood established Lock Haven State College as one of the initial supporters of the Association of State College Organizations in Pennsylvania. The year 1966-67 was marked with more efficiency, improvements, and better organization than ever before.

CHEERLEADERS

The Pep Club is responsible for organizing and leading student response at athletic events. The cheerleaders are present at all home football and basketball games, and whenever possible, accompany the band and teams to games away from campus. This vivacious group of girls is an important force in combating student apathy and building team morale. The group, advised by Miss Dora Vandine, also serves at college bonfires, pep rallies, athletic assemblies and parades.

VARSITY CLUB

The Varsity Club is composed of male students who have earned a varsity letter in at least one sport. After a one semester pledgeship and acceptance by a majority of club members, the candidates become approved members of the club.

The Varsity Club sponsors the publication and sale of athletic programs, the operation of the Field House concessions, the purchase and award of sweaters for lettermen, jackets for senior members, and the annual Lettermen's Banquet in the spring.

FOOTBALL

The 1966 football team concluded the season with a record of two wins against seven losses. Jim Blacksmith led the Eagles with a total of 66 points scored. Darrell Claar completed 43 of 91 passes for a total of 539 yards, while Jim Stanley completed 20 out of 52 for a total of 311 yards. Jim Miller set a new one season mark in field goal kicking with three successful attempts.

The future looks bright for the squad as most of the boys will return to next year's team, bolstering the prospects for a winning season.

SOCCER

The 1966 Lock Haven State College soccer team came through with a winning slate for the season. The final record showed four wins, three losses, and two ties. Both Head Coach George Lawther and assistant coach Karl Herrmann regarded the schedule as one of the most difficult the Eagle booters had had to face in a long time. Co-captains "Geno" Bailey and Bob Henry, along with the other players on the squad, turned in a fine performance as the team finished a successful '66 season.

First row: G. Bailey, L. Gladhill, R. Sullivan, R. Coover, J. Klingaman, J. Berryman, R. Klaar; Middle row: M. Deckman, J. Aurand, C. Snare, J. Young, P. Thomson, M. Draus-

The 1967 baseball team is eagerly looking forward to the new season. Last year's squad posted a disappointing five win, ten loss record. The team's batting average was a low .178 and contributed to most of the defeats although strong pitching performances by Jeff Ward and Ray Huff staved off what might have been a disastrous season.

This year's club has twelve lettermen back and will be bolstered by what appears to be an exceptionally large and capable contingent of freshmen.

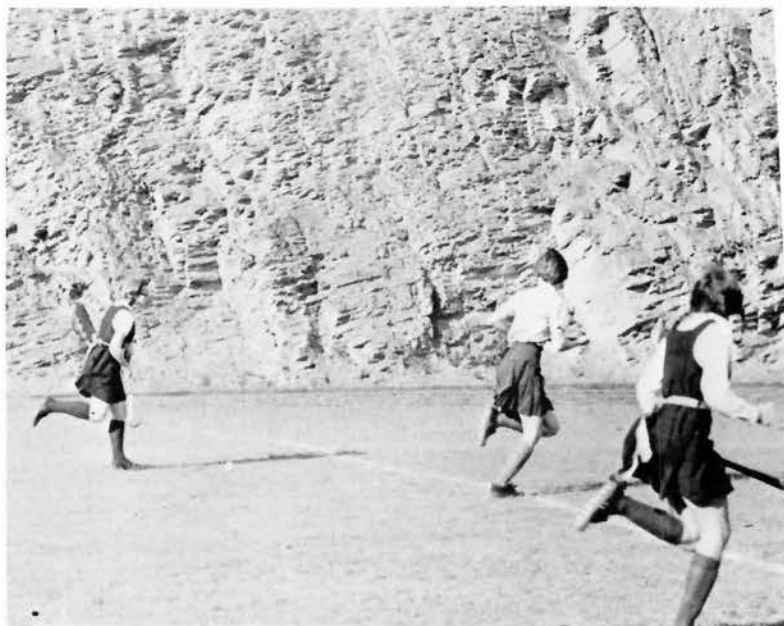

WOMEN'S HOCKEY

The Eaglettes hockey squads, under the direction of Dr. Charlotte Smith had another successful undefeated season.

Captain Nancy Springs ended her career of hockey at Lock Haven by leading the varsity team to one of the major upsets of the season. This came when the Eaglettes blanked undefeated West Chester State by a score of 2-0. Mimi Eckert, the J.V. captain, led the J.V.'s to tie the seconds from West Chester 1-1.

The Eaglettes Varsity team scored a total of 31 goals and were scored on only 4 times. The J.V.'s scored a total of 32 goals while their opponents scored only 3.

The past two and one half years of victory and no defeats constitute a fine record for our field hockey team.

This year Lock Haven's wrestling team started the season as the defending Wilkes Tournament Champions, defending PSAC champions, and defending NAIA champions. Coach Gray Simons and his wrestlers have had a very successful season thus far, losing only to the powerful East Stroudsburg team. At press time, the Bald Eagles are looking forward to their defense of the PSAC Tournament to be held at California State, and to their defense of the NAIA title which will be settled in our own Lock Haven area on March 16-18.

The Women's Basketball Team under the leadership of Dr. Charlotte Smith has had another successful season. Beginning a strenuous schedule in February, the girls at press time were undefeated,

and were looking forward to "total victory" and no losses. Many of the team members will be available next year, so Lock Haven State anticipates a great deal from this group of fine young women.

 We pledged all the love in our hearts,
 And forever the bonds that we hold so dear
 Will grow stronger with each passing year.

Her eyes and her hair are blue and gold,
 The colors we wear on our crest.
 But the beauty of all — Is matched alone
 By the gleam of my pin on her breast.
 She's true, she's sincere — a perfect dear,
 To me she is almost divine!
 All the others are fair,
 But there's none to compare —
 To that KDR girl of mine.

Let's give a hip, hip hurrah
For dear old Lambda Chi!
Let's give a hip, hip hurrah
And shout it to the sky.
We'll make the rafters ring
When all the fellows sing
About the cross and the crescent —
It's the grandest thing.
We'll shout it loud and strong,
We'll shout it all night long,
Because we want the world to know
We stand together now.
We stand to win and how!
For dear old Lambda Chi.

SIGMA PI

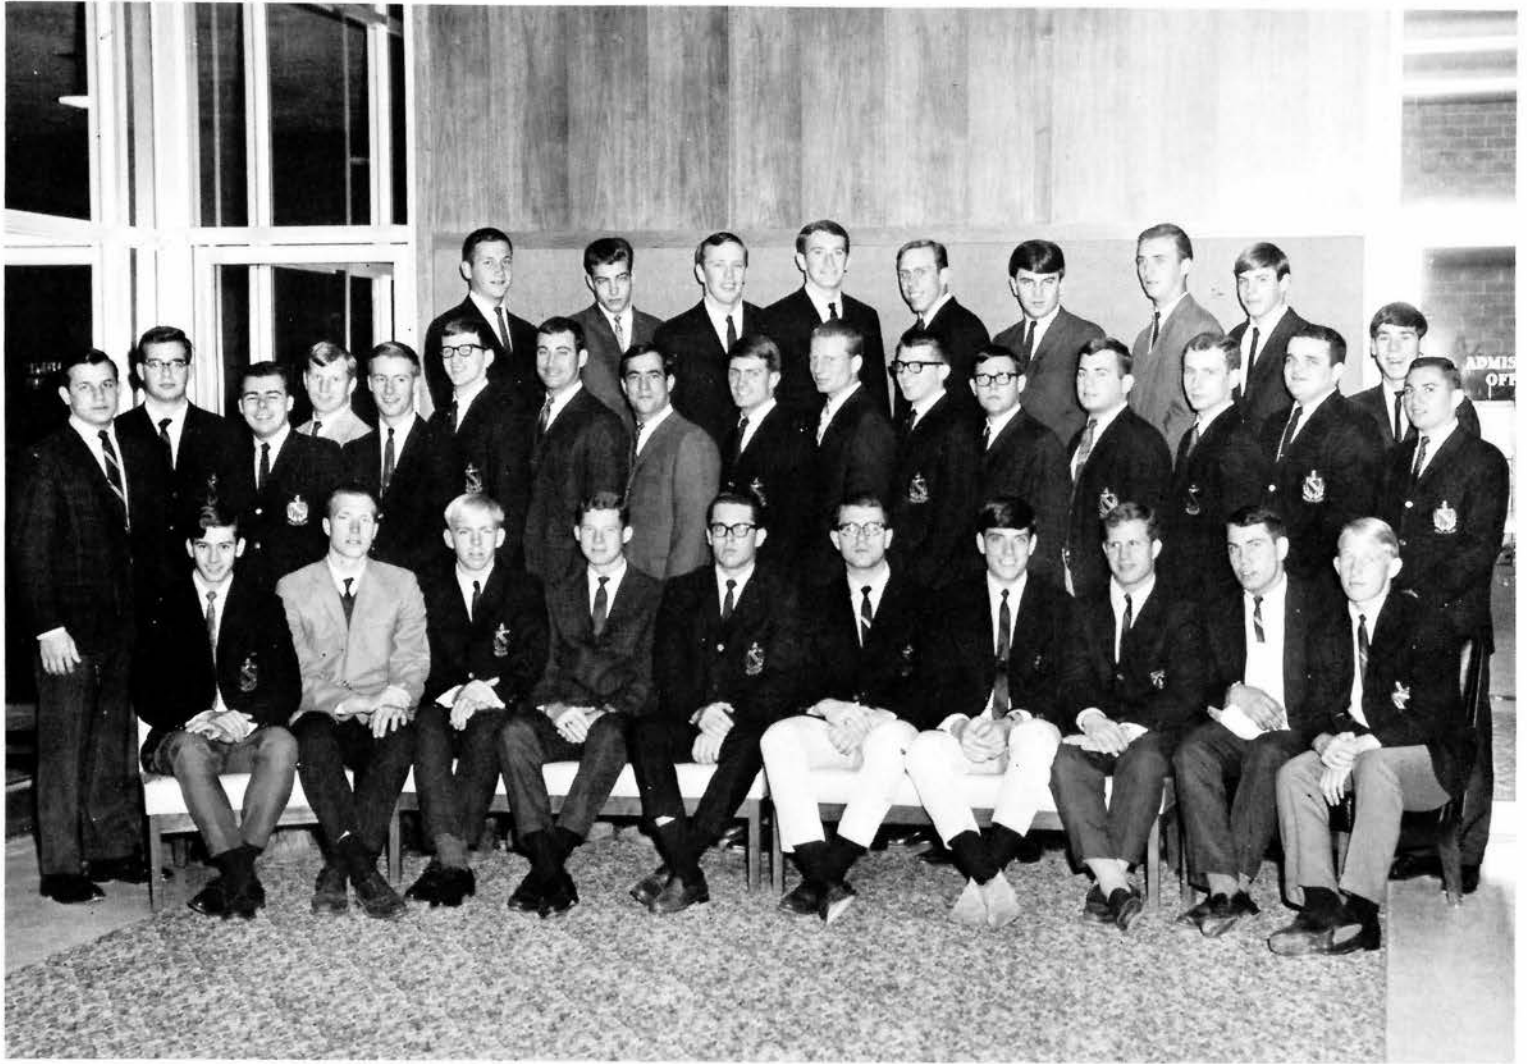

*Oh, we're the Brothers of Sigma Pi from 504 West Main,
And if you take a look at us, you'd swear we were insane.
We may be a little different, we may be a little odd;
It may take an act of Congress to get one of us a job.*

When we arrived as freshmen, we thought that we were "hot,"
We looked around and finally found that Sigma Pi's on top.
At first when we were pledges, we did our duty swell—
But now that we are Brothers, we are raising too much—well!

Oh, when the Brothers go out for fun, oh man! We never fail.
And if the cops catch up with us, we'll all end up in jail.
And if we have a stag, all the Brothers ought to know
That if the Dean catches us, we'll be on "social pro."

SWEETHEART OF T. K. E.

There's a girl at the end of each rainbow,
There's a girl 'mid the sparkling dew;
There's a girl in the heart of each sunset;
She's a girl that is ever true.
Her lips are as red as the Wild Red Rose,
Her eyes are as blue as the sea.
She's the dearest friend our memory holds,
She's the sweetheart of T.K.E.
Sweetheart, Sweetheart, Sweetheart of dear old T.K.E.
Though the years come and go,
In my heart I shall know,
True you'll ever be.
And our badge of gold
O'er our heart you'll hold,
You're the Sweetheart of T.K.E.

PRAECO 1967

. . . The words and music of the song of education — the song which we learned here at Lock Haven State College — will be voiced wherever we go — in our classrooms, in graduate schools, in our homes, and in our occupations. The tunes and lyrics have become a part of us and will be expressed throughout our lives to provide the score for succeeding generations . . .

The staff of the PRAECO wish to thank those who have aided us in the production of our 1967 yearbook — the administration, faculty, and student body who have all cooperated so willingly in order that we might compose this symphony of words and pictures. We also wish to extend our thanks to the staff of the student handbook, THE COMPASS, for providing us with information about the campus organizations, and to the staff of the EAGLE EYE for their exchange of pictures and information.
